

## *Prescreening Questionnaire*

-Have you tested positive for COVID-19 that you have not fully recovered from?

-Are you experiencing any of the following symptoms (not related to a previously documented health concern):

- fever (ie. Chills, sweats,temp over 38 degrees C)
- cough or worsening of a previous cough
- sore throat
- headache
- shortness of breath
- muscle aches
- sneezing
- nasal congestion/runny nose
- hoarse voice
- diarrhea
- unusual fatigue
- loss of smell or taste
- red, purple or blueish lesions on the feet, toes, or fingers without clear cause

-Have you travelled outside NS within the last 14 days?

-Have you had unprotected close contact with individuals who have a confirmed or presumptive diagnosis of COVID-19 (eg. Individuals exposed without appropriate PPE use)?

If you answer yes to any of the above questions or if you become symptomatic at any point prior to their scheduled appointment, please postpone your treatment until you are well and symptom free. You should also use the 811 on-line self-assessment tool <https://811.novascotia.ca> if you are unwell the day of the appointment, and only attend if you are not told you need to be tested for COVID-19.
